

# PROMO KIOSK

PROMO KIOSK

- **PROMO KIOSKS** Stand out from the crowd with a unique shape and highly visible imprint area. With 5 counter tops and a large storage area the kiosk is a great tool for product introductions and sampling.
- **PROMO KIOSKS** are constructed with the highest of quality powdered coated steel and 500 denier polyester.
- **PROMO KIOSKS** are designed for optimum sun protection, shade, water resistant, fire-retardant, and UV protection.
- **PROMO KIOSKS** can be custom printed with your brand colors & logos. We use full digital color image reproduction to create a lasting impression for your brand.
