

DENALI LARGE STRAIGHT

150w Halogen lights
UL Listed
(Optional)

Half Hard Case is optional.

*Package includes padded nylon travel bag

PRODUCT DESCRIPTION

Our ultra lightweight aluminum alloy fabric pop-up display in a matte satin anodized finish is an ideal eye-catcher for your trade show, exhibition, or conference. It's versatility and simple 2-minute setup, as well as its Velcro attachment, makes it functional for special events as well as an in-office promotional tool for walk-in customers. Another convenient feature is that your graphic stays attached in your free travel/carry bag that comes with each frame you purchase.

DENALI LARGE STRAIGHT

PARTS LIST

(Qty 1) Frame
(with pre-installed graphic)

(Qty 1) Padded nylon travel bag

DENALI LARGE STRAIGHT

SET UP INSTRUCTIONS

1 Remove frame and graphic from nylon bag.

2 Ensure "adjustable feet" of frame are on the floor. Pull up display into upright position.

3 Lock all hooks between front and back hubs.

4 Adjust leveling feet for desired angle. Ready pop display can now easily be moved into position.

5 **OPTIONAL**
Attach lights to top of frame by sliding the plastic "x blocks" under the frames cross sections.

Warning: To avoid damage, separate end caps & disconnect ALL hooks before collapsing the frame.

How to install or replace graphics on your OneFabric:

1 Assemble frame and lay flat on its back. Remove existing graphic.

2 Starting at one corner, attach velcro on the graphic to velcro on the frame. **NOTE:** Velcro on the graphic should extend approx. 1/4" - 1/2" beyond velcro on the frame (it should not be flush).

3 Working in a continuous direction around the frame, attach the rest of the graphic. Make sure the graphic is pulled taut while attaching the velcro.

4 If needed, adjust velcro for taut fit.
