

ICE BOX 10 X 15

Product Features

Introducing the new Icebox Fabric Display, a portable unlike anything you've ever seen. Your exhibitors will be in awe of it's mighty size! You'll need a friend to help you set it up, but don't let this giant dissuade you- it's completely toolless! Using the same framework as our line of Skybox Hanging Banners, set up is a snap! With push button snap locks, the tubes connect together. Use it vertically, stretching tall like a tower, or horizontally as a barrier. Fabric envelops the whole frame, and zips shut at the top, creating a soft, seamless look. Printed graphics available on front, back, and all 4 sides.
