HARD ROLLER CASE

PRODUCT DESCRIPTION

The New Hard Roller Case is an improved alternative to our standard Hard Case. This case still breaks down and forms the base and top of the podium but now a stretch fabric wrap forms the body of the podium. A pull handle and wheels are built into the casing to enable easy transport to and from each show. There is now more interior storage space - enough for a 10' Rebel Pop, 10' Rebel, and every size of our Easy Tube frames.
